Dear [Redacted]

STAT

I would like to thank you and the members of your staff who recently completed work on [Redacted]. Those of us on the customer side believe the high quality product delivered will help resolve some difficult management issues we are facing and save significant tax dollars in our ongoing project.

25X1

In particular, please extend my appreciation to Frank [Redacted]. His display of understanding, sound judgment, and good project management made it possible to execute the project with less customer oversight than I have experienced in 20 years of contracting.

Congratulations to all on a job well done.

Sincerely,
